Indoor Guidance

- The only reason not to shoot the round proposed is to catch up on an L&R that is date sensitive.
- Please remember to book in via the Club App.
- Indoors, the role of Field Captain will need to be taken by an archer shooting at the left of the hall.
- All are responsible for setting up / taking down the range. Ensure that the range is packed away before personal equipment to allow for a timely finish.
- The Club Championship will take place over the last two Saturdays in March. The final format is likely to be a Portsmouth round. More information will follow nearer the date
- Some days are shown as Kirby Competition / [Round]. These are fun shoots against Kirby Muxloe intended to get to know another archery club and have an introduction to competitions. However, shooting without competition should still be available, albeit on a reduced number of bosses.

PLEASE NOTE THE DIFFERENT TIMES ON ALTERNATE THURSDAYS.

Once a month the Saturday session is 3 hours (finishing at 12 noon) - see green shading

Round of the month

The rounds highlighted in blue will be used for a 'Round of the Month' competition, which will be for the best handicap adjusted score for that round in that month. For those currently without handicaps, you will need to submit a score for three rounds before you can participate -there is lots of opportunity to do this in Oct / Nov. December and January will count as one competition for 'Round of the Month'
